Nancy Well another year has passed for us Dela
quips - a better one for the most part. Its been
rede fun knowing you these last two years. I hope
you have a blast in Va. Thanks for all you've done
for me this year & your friendship which has allowed
me through thick & thin.
Thanks again. Write to me.

Don't forget
these meaty goat
slumber parties!

Nancy,
Well, we've been together two
years now and pretty soon you'll
be leaving me to go back to the
good ole USA! Lucky! But you're
leaving me behind up at Stenbol
and now I won't have anybody
living down the block that I can
call in emergencies like the times
I do dumb things like breaking
punch bowls.... remember? Any
way, I'll always remember your
friendship and understanding. We've
had loads of good times together
and I enjoyed riding the buck
with you. This year we haven't
been as close as last since we
were in different dorms and
all but we've still kept our
friendship as I hope we always
will. I think we've both
changed a lot this year -
you for the better - I hope
me for the better (it better
have been a really drastic
change for me too!) Please
don't remember me by the
horrible picture in this
annual but by some of
my better (?) times - if I
had any (I hope) I was so
glad when you started going
with Doug - you make the
most adorable couple - I
wish you the best of luck
and hope you two will get
together in Virginia and at
college. Now that I've
written a life history I'll
just say good luck al-
ways and don't forget
to write! (I still haven't
heard from Virgie) I'll never
forget you so don't for-
get me (I don't know
how you could after all the
things I done - crazy!)

Love,
Kathi

Nancibald,

I can't think of how to start what I have to say. I feel like you're more than any friend has meant to me. You are my favorite girl associate in the school and you have stayed my friend through the whole year. I actually love you like a sister

LA VICTOIRE

because you have been so near and dear and if I were ever to cry **1964** you would be the one to wipe my eyes. Please remember me because I'll never, never forget you and how much your friendship has meant to me through this year's ups and downs and good happy times and bad times.

Nancy

Well the year is finally over and soon we'll be on our separate ways. I'll always remember you Nancy for the fun we have had together with Greg & Bob. The year hasn't been to great a success but there is always next year. Always stay as nice a person as you are and remember to say hello to Debbie for me when you get back to Oslo. Good luck and the best of success to one of the best girls at Dreux Love Sue

Dedication

We dedicate this annual to Sgt. Alton Snead, whose devoted time and interest have helped to give us "La Victoire" this year. Sgt. Snead worked with rare enthusiasm that encouraged the student body and faculty to show more interest in sports and other school activities.

We appreciate your help, "Snead," and thanks for making Dreux American High School the best school in Europe.
